In the opinion of the inspection committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded.

CAT ELIGIBLE BREEDS & REGISTRY: Open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the FSS program, dogs with PAL numbers or dogs enrolled in the AKC Canine Partners program. Females in season may not enter. A dog may enter only once per event. An event is defined by an event number.

WHAT IS THE PURPOSE OF THE COURSING ABILITY TEST (CAT)?

The purpose of the AKC Coursing Ability Test is to provide all dogs and their owners an enjoyable, healthy activity in which they can participate. Dogs run singularly and are required to complete their course with enthusiasm and without interruption within a maximum amount of time. This is a pass/fail event. Based on the sport of lure coursing, Coursing Ability Tests will serve as an introduction to the sport for all eligible dog owners.

WHO IS ELIGIBLE TO ENTER THE COURSING ABILITY TEST (CAT)?

Coursing Ability Tests are open to all dogs at least 12 months of age that are either 1) individually registered with the AKC, 2) recorded in the Foundation Stock Service (FSS) program,

3) individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, 4) dogs granted a Purebred Alternative Listing (PAL) number, 5) dogs with AKC Limited or Conditional Registration, or 6) dogs enrolled in the AKC Canine Partners program. A dog may enter only once per test. Females in season may not enter.

HOW DO I ENTER MY DOG IN THE TEST?

To enter your dog in the Coursing Ability Test, you must complete an official AKC entry form for each dog forward it with full payment of entry fees to the Test Secretary by the established entry deadline listed in this premium. Please know that the Test Secretary MUST decline any late, incomplete, unsigned, unpaid or conditional entries. This is to say that each entry must be completed in full and the information given on the form must be that which applies to that entered hound. Moreover, the owner or agent duly authorized to make the entry MUST sign the entry form(s) and submit full payment of entry fees for the entry to be accepted.

ENTRY FEES

All pre-entries become non-refundable after the pre-entry deadline

Pre-Entry for Coursing Ability Test: \$23

Day of Entries \$30

A **pre-entry** is a completed official AKC entry form with payment received by the test secretary by the closing date and time designated for pre-entry in the premium list. The closing date/time for pre-entries at this event is Monday, April 16, 2018 at 12 Noon EDT at the Test Secretary's address.

Please use a separate entry form for each test: Saturday AM & PM and Sunday AM & PM.

WHAT MUST MY DOG DO TO PASS THE CAT?

The Coursing Ability Test (CAT) is a pass/fail test wherein all entrants always run individually. This is to say they run once, and they run alone. Because safety is of the utmost importance, the CAT takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips.

DOGS LESS THAN 12" TALL & "FLAT FACED" DOGS. Any entrant that is less than 12" tall at the withers and/or brachycephalic will run a clearly marked 300-yard* course (or as close to 300 yards as possible) course that is basically rectangular in shape with turns no more acute than 90 degrees.

DOGS MORE THAN 12" TALL. Any entrant that is taller than 12" at the withers and not brachycephalic shall run a clearly marked 600-yard** course (or as close to 600 yards as possible) that is basically rectangular in shape with turns no more acute than 90 degrees.

In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. The judge keeps the official time and decides the merits of the dog's performance. For a 300-yard* course, a dog must complete the test in less than 90 seconds; for a 600-yard** course, 120 seconds.

*200 yards for Veteran dogs 7 Years and older

**400 yards for Veteran dogs 7 years and older

If there is a question which course a dog should run, the judge will decide.

CAN MY DOG EARN AN AKC TITLE FOR COURSING ABILITY?

Three titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher level title superseding a lower level title.

Coursing Ability (CA) – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

Coursing Ability Advanced (CAA) – Dog passes the Coursing Ability Test ten times.

Coursing Ability Excellent (CAX) – Dog passes the Coursing Ability Test 25 times.

Coursing Ability Excellent 2 (CAX2) – Dog passes the Coursing Ability Test 50 times. A higher numbered title will be awarded for every additional 25 passes.

NOTICE TO ALL EXHIBITORS

All entries must be one year of age or older on the day of the test.

Spayed or neutered dogs and dogs with breed disqualifications may be entered. Each dog requires an individual entry form for each event in which it is entered.

No entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance. Entries will not be accepted without fees, signatures or the "Agreement" found on the Official AKC Entry Form.

Bitches in season and lame dogs will be refused entry and, if presented at inspection, will be refunded entry fees.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.

Dogs ideally will be handled with a "slip-lead" that gives instantaneous freedom to the dog when the "Tallyho" (release) signal is called by the Huntmaster. However, dogs can be run with a flat buckle collar without tags or anything that dangles. Special Training devices including but not limited to pronged collars, shock collars, halti-leads and similar training devices may not be used.

For the safety of the dog and as a courtesy to other entrants, a testing dog should have a reliable recall. Dogs that delay the event because they cannot be recalled by their owners may be refused entry at future events.

The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog. Listen to the Huntmaster and follow his/her instructions promptly and swiftly.

Any decisions made by the event's officiating judge(s) regarding the performance of an entered dog shall be final. Full discretionary power is given to the judge(s) to withhold any and all qualifications for lack of merit. The Judge is responsible for ensuring compliance with the AKC Regulations on the field.

No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.

Persons exhibiting conduct detrimental to AKC/SHKC/any dog(s)/other person(s) will be asked to leave the trial site.

The event-hosting club, its agents, members, representatives, volunteers, etc, assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators.

All rights to televise, videotape, advertise, photograph, promote or otherwise exploit this event are vested in the club, or in persons to whom assignments of such rights have been made in writing by the club. All persons and animals attending these shows grant the club the right to use their likeness and voice in any matter without further consent.

A penalty of \$5.00 will be assessed for any and each loose dog(s) not competing in the course in progress. A penalty of \$10.00 will be assessed for any dog causing an excessive delay of the event because it cannot be recalled or retrieved from the field.

A return check fee of \$35.00 will be assessed for any check(s) returned for insufficient funds. Portable restroom facilities will be available.

Some tree-shade is available on the perimeter of the field, but please ensure your own comfort by bringing portable shade/shelter, as well as water.
