

**CENTRAL NEW JERSEY HOUND ASSOCIATION
SOMERSET HILLS KENNEL CLUB**

February 16, 2026

Dear Sir or Madam,

The Central New Jersey Hound Association and the Somerset Hills Kennel Club are pleased to announce the availability of two scholarships from each club, to those students who are currently, as of today's date, Junor or Senior veterinary students who have not previously won one of these awards. They must be New Jersey residents (except for temporary University residency), and their goals must be primarily geared toward canine medicine.

These scholarships are awarded by our current club membership in honor and memory of Bob Goldstein, Asa Mays, DVM, and Arthur North DVM, all of whom contributed greatly to the formation, values, and success of our clubs. The amounts of the awards vary, generally being in the range of \$500.00 to \$1,500.00 each.

I would appreciate your cooperation in making the availability of these awards known to your friends in the fancy, your veterinary team, and any members of the community that may be interested in applying. We welcome you to distribute the attached application form and scholarship background to any and all eligible students. The deadline for all applicants is March 31, 2026.

Sincerely,

Jenna Greeby
